Name _____ Date _____ Block _____

Task: Your job is to use the information you have gathered from your research records and your new knowledge about your person to prepare an interview about him/her. You must answer the required questions along with some of your own questions, but keep in mind that we are most interested in specific information about the impact he/she had on history.

Objective: You will use facts from your research records to create an interview. Try to capture the personality and tone of the person being interviewed in their responses. Are they confident? Shy? Defiant? Arrogant? Etc...
